### **New Ticket Central Table**

This season, I am teaming up with our sales team to create "Ticket Central" a new spot for you to see me and our sales team! This new table will be at **Section 215!**

I have lots of different responsibilities on game days, including pre-game and in-game experiences, suite fulfillment, seat check-ins, and sometimes just general problem solving in other areas to make your game day experience as smooth as possible! If I am not at the table, our sales team can always be a great help, but if you specifically need me, I will always be back at my table as soon as I can! Thank you for your understanding!

## Traffic

Downtown Tucson is bound to have traffic on any day so, as always, please plan accordingly to allow enough time to arrive before puck drop!

Here are some events that may impact traffic:

- Tucson Holiday Ice: November 28th - January 4th
  - o The ice rink is up outside the arena causing reduced lanes on Church and increased activity at the arena and surrounding parking lots
  - o More Information: [Tucson Holiday Ice City of Tucson](#)
- Holidays in Tucson with Orkesta Mendoza and UA Dance: December 13<sup>th</sup> @ 7:30pm
  - o Linda Ronstadt Music Hall

## Reminder

Just a reminder! Our Front Office is extremely busy at the TCC on game days as we work hard to create a memorable experience for our fans. To ensure the best service for all Season Ticket Members, please submit any account service requests or changes *at least* 24 hours before the event. Every effort will be made to accommodate requests within 24 hours, but *I cannot guarantee fulfillment*. The box office is always open on game days for any last-minute troubleshooting! Thank you for your cooperation!

Please let me know if you have any questions or concerns!
